Parallel Success

Disability athletics events have been promoted and included in our Championships for a number of years, but this is the fourth year that the County Championships have been recognised by UKA as part of the Parallel Success series. Athletes with a UKA / INAS / BBS Classification can enter the Open competition *irrespective of where they live or were born*. Results from the event will be eligible for the Power of 10 and, where appropriate, IPC Rankings, including Paralympic Games qualification. Athletes who qualify for either Leicestershire & Rutland or Warwickshire will **automatically** be included in their County Championships as well.
