I'm a Panda Patron! I'm taking part in the 2021 Penwortham Run Fest 'Virtual' Challenge ...

Penwortham Run Fest supports NF1 Army and St Catherine's Hospice and this year will also be making donations to Lancashire Mind and BabyBeat.

Penny's beloved Pax has been on a trip to Australia, he went to visit Penwortham in Adelaide which we discovered was founded by John Horrocks of Penwortham Preston!

Pax was at the airport with his suitcase ready to return home to his beloved Penny when his flight was cancelled! Pax has challenged himself to make his own way back home and he will set off on 1st January. However, he can only travel with help! For every 10K collectively travelled by the Panda Patrons, Pax will be able to move 1k on his virtual adventure to return home to his beloved Penny.

Our challenge is to get Pax back home to Penny for her birthday on 11th September so they can be reunited and celebrate together!

My challenge will be to run/walk/cycle

.....km/miles each day/week from 1st Jan to 12th September.

Thank you!
