Nice Work is pleased to return to Gravesend Cyclopark in 2020/2021 with our popular Winter series. A unique opportunity to sharpen up your speedwork on those dark winter nights. The tarmac course is floodlit and its undulating nature will offer just enough of a challenge whilst still allowing for some fast times. Book your slot by the race, in blocks of three or buy a season ticket for all six races. The races are great for Spring marathon speedwork, as part of a schedule to complete your first 5K and/or 10K – or for those just looking for a timed and measured run on a weekday winter’s night. Chip timing including lap times for both races.

Special discounted price for clubs with more than 6 runners in each race
