

## Spitfire AA810 Virtual Challenge

Thank you for supporting the restoration to flight of Spitfire AA810, the last aircraft flown by Alastair 'Sandy' Gunn and the only aircraft to survive connected to the infamous *Great Escape*. The aircraft is of great historical significance and all the profits from the fee you have paid to undertake this challenge will be going to the continued restoration of Sandy's Spitfire.

Sandy's Spitfire was shot down after 49 hours and 47 minutes of operational frontline flying; we are challenging you to complete the same amount of exercise by the 79<sup>th</sup> anniversary of its first flight on the 17<sup>th</sup> October 2020.

Please use this log, and as many copies as you need to document your runs, swims, walks, cycling or jogs that will add up to complete at least 49 hours and 47 minutes of exercise. Good Luck!

Name on booking:  Age:

Date registered:  Country:

Date	Start time	Finish time	Exercise type	Notes

Total Duration this page:

Total duration to date:  Date completed:

Please return your completed log electronically no later than the 25<sup>th</sup> October 2020 to:
